To Whom It May Concern,

The Announcement of Business Integration

We, Mitsubishi Heavy Industries Plastic Technology Co., Ltd. (MHIPT), are always most grateful for your continued patronage and partnership with Mitsubishi Injection Molding Machines.

On the day of July 29th, 2016, Mitsubishi Heavy Industries, Ltd.(MHI) and MHIPT jointly announced that the stock purchase agreement had been made between MHI, 100% holder of MHIPT's share at present, and Ube Machinery Corporation, Ltd.(UMC). By this contract, UMC will be 85% share - holder of MHIPT, while remaining 15% will be held by MHI, as of January, 2017.

MHIPT will continue to provide MHI brand Injection Molding Machine basically with the same organization and facilities, though the company's name will be changed to "U-MHI Platech (as a tentative name). And the new sales company will deal with both of MHI and UBE brand.

Now, we have just started the detailed discussions regarding all aspects of this new partnership with UMC in order to maximize our global business opportunities. In the course of these discussions, we promise that MHIPT will always give the first priority to the concerns from view points of the customers and partners who support our Injection Molding Machines business.

For further available information at this time, please refer to the press release document.
